

NORTHERN CENTRE FOR HEALTH EDUCATION AND RESEARCH

The Northern Centre for Health Education & Research offers flexible space to cater for a number of different events including meetings, conferences, training sessions and workshops.

Based in Melbourne's northern suburbs, this facility is in a great location; close to Epping train station and convenient to access from Melbourne Airport and via the Hume Highway and Western Ring Road. We provide convenient, modern, air-conditioned spaces that are supported by our knowledgeable and helpful staff. All of your audiovisual needs will be looked after by our team of skilled technicians, to ensure that your event is a success.

If you are in need of a comfortable environment with great flexibility in meeting and workspaces, and open common areas to network in, the Northern Centre for Health Education & Research is just what you are looking for!
