Empowering Consumer and Community Involvement: AHRA Health Research Hub Launch

Monday 1 December 12pm to 1pm AEDT

The new AHRA digital [Health Research Hub](#), to guide consumer and community involvement in health research is being launched. The Health Research Hub responds directly to an AHRA priority area and centralises practical, high-quality resources and tools that support meaningful consumer and community involvement (CCI). It has been co-designed with and for researchers, consumers, community members and healthcare professionals through an iterative process.

HCF Research Foundation Translational Research Grants 2025 scheme- EOI's NOW OPEN

The HCF Research Foundation Translational Research Grants (TRG) scheme is focused on the translation of research findings into practice by health service delivery stakeholders.

This call invites expressions of interest addressing one of two streams:

1. Implementation science approaches to understanding and addressing unexpected variations in practice relative to foundational clinical practice guidelines
2. Implementation of the outcomes from previously funded HCF RF research projects into practice

EOI Close: **Wednesday 3rd December 2025 at 5pm.**

NCTGF News Maturity Rating Scale Extended

Assessment outcomes to the National Clinical Trials Governance Framework (NCTGF) occurring before 31 December 2029 will not impact the HSOs assessment outcome under the [second edition of the NSQHS Standards](#).

Northern Health was assessed to the NCTGF actions using the maturity rating scale, for the first accreditation cycle in May 2024. All subsequent accreditation cycles conducted before 31 December 2029 will also be assessed under the maturity rating scale.

Research Week 2025 – It's a Wrap! 🎉

A big thank you to everyone who contributed to making Research Week 2025 such a success! With 96 abstracts submitted – a 23% increase from last year – and inspiring keynote speakers, presentations, and debates, it was an incredible showcase of research excellence across Northern Health. Congratulations to all our award winners, and special thanks to the Research Development and Governance Unit for their outstanding work in delivering another memorable event!

🎉 Congratulations to **Fiona Perth**, the lucky winner of the Henry's \$50 Gift Voucher for completing the Research Week Feedback Survey! 🎉
