[Home / Work with Us / Vacancies](#)

2

Visit

<https://www.nh.org.au/work-with-us/vacancies/>

Apply to the Health Service/s you have listed in your PMCV preferences

In Success Factors - Search for the program name - "Graduate Mental Health Nurse Program 2027"

Review the Position Description, click Apply & upload ALL requested documents (see below)

What to include in your application

3

- Cover Letter – Must include how you identify with Northern Health's Values
- Resume (max 3 pages)
- Outlining relevant education and clinical experience
- Must include a table of clinical placements (both completed and pending) – see below sample
- Two clinical appraisals
- At least 1 must be from a Mental Health or an acute setting if one has not had a mental health placement as yet
- Must include formative and summative assessment
- Academic transcript (including grading key)
- Names and contact details of 2 clinical referees

Documents do not need to be certified, however you must be able to produce the original document if requested to do so.

Interviews will be viewed via the PMCV Video Interview system

If you have been shortlisted we will invite you to an online interview. Successful candidates will be notified in line with the PMCV results
